1. As a volunteer of the Community Law Program, you will learn about our program criteria (financial and geographic guidelines) as well as our priorities (what types of cases we handle). You will help with the initial qualification of clients, and then assist with the client interviews. Since many of our clients have family law problems, becoming familiar with the Florida Supreme Court Approved Simplified Family Law Forms would be helpful. You may be requested to review clients' forms to determine if they have been completed, or to assist the interviewing attorney.
2. Time sheets will be kept at our office for your Pro Bono Graduation Requirement Completion Form.
3. Students are asked to arrive on time, dress appropriately, provide advance notice if unable to attend, and treat clients and attorneys with respect.
