

What is the Community Law Program?

The Community Law Program was formed by a small group of local attorney members of the St. Petersburg Bar Association in 1989 as a 501(c) (3) non-profit corporation to expand access to the legal system for those financially unable to afford legal representation. Local volunteer attorneys offer their assistance at no charge to our clients at our legal advice clinics, self-help classes, and with individual contested representation. Funding is provided by federal, state, and local governmental sources, the Florida and St. Petersburg Bar Foundations, and tax-deductible donations and annual dues.

LAW STUDENT OPPORTUNITIES AT THE COMMUNITY LAW PROGRAM

Free civil legal assistance provided by St.
Petersburg Attorneys

Revised July 2010

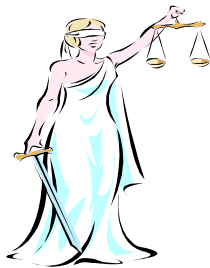

It is the mission of the Community Law Program, a non-profit organization, to provide pro bono (free) legal assistance to low income individuals in South Pinellas County through the use of volunteer attorneys.

Student Responsibilities

1. Law student volunteers for the Community Law Program must first learn the financial criteria and geographic guidelines used to determine eligibility and the type of cases Community Law accepts for referral. Students then begin to determine new client eligibility.
2. Students are then allowed to assist with client interviews. Many of our clients have family law problems; therefore you must become familiar with the Florida Supreme Court Approved Family Law Forms. Students review and assist clients in preparing Family Law forms. Students may be asked to assist the interviewing attorney with a small research project.
3. Time sheets will be kept at our office for your Pro Bono Graduation Requirement Completion Form.
4. Students are asked to arrive on time, dress appropriately, provide advance notice if unable to attend, and treat clients and attorneys with respect.
5. Questions or concerns should be directed to Kimberly Rodgers, Executive Director at 727-582-7480.

* Students may receive Legal Pro Bono credit for volunteering at the Community Law Program.

* Students may be given the opportunity to fulfill part of the course requirement for Interviewing, Counseling and Negotiation by observing client interviews.
